

Record.h

```
graph TD; Record.h --> string; Record.h --> sstream;
```

A diagram illustrating a C++ header file dependency. At the top is a gray rectangular box labeled "Record.h". Two blue arrows originate from the bottom edge of this box. The left arrow points to a light gray rectangular box labeled "string". The right arrow points to a light gray rectangular box labeled "sstream". This indicates that the "Record.h" header file includes the "string" and "sstream" standard library headers.

string

sstream
